

if you can go to Buckner
Sunday and if you can I will
come up. Saturday night and be
ready for Sunday's early train
but if you can't go I will come
up Sunday anyway to be my
Sweet Heart and look at the
city of Stephen's once more and
be my best girl and tell her
how well I love her.

You must send me your picture
for my safe as I do want one of
them. Well I will pray for
you and you must pray for
me. I hope you have got religion
as I have always tried to be
religious but made poor success.
Night before Saturday so I will
know what to do with myself.
